PC's Williams receives Burlsworth Character Award

John Pilati
 Franklin Free Press

When Kevin Barnwell first heard about the Burlsworth Character Award, the Phil Campbell varsity football coach knew immediately which player would be his 2022-23 nominee: Nick Williams.

Williams, a senior offensive lineman who played all four years of high school, received the Burlsworth Character Award at the Bobcats' football awards banquet held last weekend at Northwest-Shoals Community College.

CANIDA

The award doesn't acknowledge a player's on-field performance. Instead, it's a recognition of a young man with outstanding character and sportsmanship. When you hear Barnwell talk about Williams, there's an immediate

Council approves exclusive franchise resolution for solid waste collection

John Pilati
 Franklin Free Press

The Russellville City Council approved a resolution Monday giving the city the exclusive franchise rights for solid waste collection inside the city limits.

The resolution, approved at the council's February 20th meeting, applies to "every person, household, business, industry or property generating solid wastes, garbage or ash as defined in the Solid Waste Disposal Act."

The lone exception is for any entity that is granted a Certificate of Exception. Businesses and individuals inside Russellville city limits under contract with any private

waste disposal company have six months from February 20, 2023, to participate in and subscribe to the City of Russellville Solid Waste Department collection of solid wastes, garbage and/or ash.

The move follows the council's November 2022 investment of more than \$1 million in trucks and dumpsters that will allow the city to embark into the commercial solid waste business.

That included the purchase of two 2024 Mack TE64 Heil Front Loader Garbage Trucks, at a cost of \$686,376.34, one 2023 International CV515 Galbreath CH800 Container Handler Truck at a cost of \$106,988.23, and the anticipated purchase of 183 used dumpsters
